The Lok Satta Party expressed its condolences over the death of Mr. K. G. Satyamurthy, one of the founders of the People's War Group.

Mr. Katari Srinivasa Rao, Lok Satta Party General Secretary, said in a media statement today that Mr. Satyamurthy was reputed not merely as a revolutionary leader but also as a poet who inspired party workers.

A Dalit by birth who endured untouchability, he sought to address the caste factor in Indian polity unto his last.
