Lok Satta Party Delhi unit organised a Free Eye Camp at Chattarpur at MB Institute.

About 170 patients were checked for eye ailments out of which about 25 were advised to wear glasses and 10 were recommended for further check up at the hospital. All check up and cataract operations are conducted free of cost for the patients.

We sincerely extend our thanks to Dr. Sharda and Dr. Paimul and their team for cooperating, supporting and making this camp a success.

Also the entire LSP team extends its good wishes to Dr. Anuj Dubey who spearheaded the event right from identifying location and made it a success.
